Classical Music in the Afternoon with Barney Sherman

Monday through Friday from 1 p.m. to 5 p.m.

[BARNEY SHERMAN \(/PEOPLE/BARNEY-SHERMAN\)](#)

Could ours be a golden age of classical music? Around the world and around our state, people are writing music that goes straight to the heart, and performing older masterworks with the fluency and communicativeness of people speaking a native tongue. Barney's mission is to make it easy for you to connect to this new era of classical excellence, while providing you with musical companionship you can count on every afternoon.
